

9 FEBRUARY 2024: TRURO SCHOOL NEWS AND UPDATES

## Dear Parents, Carers and Guardians

We hope this message finds you well as we navigate through another exciting and eventful week here at Truro School. Our vibrant campus has been buzzing with activity, and we are thrilled to share some highlights from the past few days.

Last Saturday, the school site was as busy as a normal weekday; with pupils, parents and the wider community participating in a wide array of events. Our Design and Technology GCSE students were hard at work, showcasing their creativity and craftsmanship as they worked on their GCSE projects.

Our dedicated students involved in the Duke of Edinburgh Gold and Silver Awards have been engaged in meticulous planning sessions. These experiences are not only about adventure and exploration but also about building resilience, teamwork, and leadership skills. We commend their commitment to this challenging and rewarding program. In the sporting arena, our teams have faced some tough competition both last weekend and during the week. We congratulate all participants for their teamwork and dedication on the field.

Those who attended the Celebration of the Importance of Music event last Saturday were treated to some outstanding performances. This event was an opportunity to showcase the fantastic talent at Truro School and within our wider community. The music school project is such an exciting development and will allow us to be a hub for the wider community, with venues which will allow music in the county to continue to flourish.

While most of us had our sights set on Truro last weekend, a group of staff and pupils embarked on a thrilling trip to Alicante. The students arrived back on Sunday evening, brimming with stories of cultural immersion, language practice, and unforgettable experiences. We are confident that this journey has enriched their understanding of the Spanish language and its diverse heritage.

Our 3rd Years have been exploring the local geography with trips to the picturesque River Kenwyn. These hands-on experiences provide invaluable insights into environmental studies and help pupils connect classroom learning with the world around them. This year group has been busy as they also completed their work on the criminal justice system which was judge by a panel who quizzed them on their rationale for their decisions.

Other pupils have headed further afield with a group of excited surfers departing for a trip to Morocco. We hope they enjoy the time perfecting their skills in warmer seas!

We take a moment to reflect on Mental Health Week, led by our Deputy Head Pastoral, Mr Murphy. A whole-school assembly provided an opportunity for important conversations surrounding mental well-being, emphasising the importance of kindness and how infectious small acts of kindness can be, referring to the ripple effect. I would encourage all to reach out and use the support on offer in school whenever they are struggling.

As we approach the half term break, we extend our warmest wishes for a restful and enjoyable time with your families. Thank you for your continued support, and we look forward to another half term filled with growth, achievements, and memorable experiences.

Emma Ellison  
Assistant Head (Director of Studies)

## NOTICES

Polite reminder, we regret that dogs are not allowed anywhere on the site (including the car park, sports fields and top cafe).

Thank you.

## Online Safety and Messaging

As well as being Children's Mental Health Week, this week also marked Safer Internet Day on Tuesday 6 February, which has seen tutor groups across the School build on the work already done in PSHEE lessons, thinking about online safety and the law, discussions around how to protect themselves online and discussions around the impact of online unkindness and bullying on young people.

There is, of course, a wider debate in society about the impact of social media on young people. Most recently this has been given prominence through the advocacy of Esther Ghey, and the tragic death of her daughter Brianna. Her mother has argued powerfully for social media and certain apps to be banned for children under 16. Monitoring and managing children's access to and behaviour on social media is a challenge both for parents and educators.

To help with conversations and provide guidance at home, the Safeguarding Team thought it would be helpful to highlight some general points of advice and signpost to some helpful resources on [staying safe on social media \(NSPCC\)](#).

In our PSHEE lessons we focus on pupils being aware of the four C's of online safety. These are also helpful areas for parents to think about when considering how safe your child is online.

**CONTENT** – anything posted online, this might be words, images or video. Keeping an eye on what young people are seeing when online whether this is pornography, fake news, racism, misogyny, suicide, anti-Semitism, radicalisation and extremism.

**CONTACT** – this focuses on managing risk and staying safe from other users online. This might be peer pressure from other young people or adults posing as children. The NSPCC has useful information [here](#) about recognising the signs of grooming.

**CONDUCT** – we teach pupils in PSHEE lessons that how they behave online matters. Choice of language, using social media to be positive rather than negative about others and the fact that cyberbullying is unacceptable. Cyberbullying is one form of bullying as defined in our [Anti-Bullying Policy](#) and we encourage any pupil who experiences this or witnesses this to report it. Conduct online also involves things like sharing or receiving nudes and seminude images. Again, guidance from the NSPCC can be found [here](#).

**COMMERCE** – there are also risks to young people from online gambling, phishing or financial scams.

### SAFETY AND PRIVACY GUIDANCE FOR POPULAR APPS

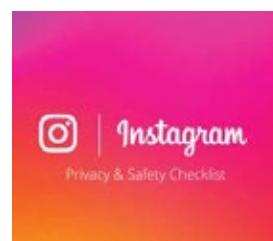

Click on the following links to access the Southwest Grid for Learning's privacy and safety checklist for these popular apps:

[> Snapchat](#)    [> TikTok](#)    [> Instagram](#)

It is worth remembering that apps have [age ratings](#).

13+ and above: Facebook, Instagram, Snapchat, Tiktok, X (formerly known as Twitter), Wink.

16+ and above: WhatsApp

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

## Ripples of Kindness

The whole school assembly focused on the theme of spreading kindness; drawing inspiration from the podcast 'Don't Tell Me the Score', Mr Murphy emphasised the ripple effect of kindness, comparing it to the way a pebble creates ripples in a pond. He highlighted how we can all find inspiration to be kind from those around us.

Using the concept of the 'R' effect, something we all became familiar with during the Covid pandemic and relating to the spread of diseases, recent studies conducted by Yale and Harvard Universities revealed that the 'R' rate of happiness has a rating of four or five. This means kind words or gestures we give towards one person can positively impact the following five people we interact with, and so on. Therefore, a single act of kindness among three people can potentially reach up to 125 people, equating to almost an entire form or workplace. Mr Murphy asked everyone to reflect on this and to practice spreading kindness in our daily interactions.

Thank you to our senior prefect team for the school news updates and notices, and congratulations to all the Values Award winners who have been noted for their exceptional acts of kindness.

<https://www.truroschoo.com/latest-news/ripples-of-kindness/>

## Criminal Justice Debated

3rd Year pupils have been working in groups to explore the nature of our criminal justice system and put together their own reformed model of punishment.

The finalists from each group met with a panel of judges who put them through their paces, and all pupils should be commended for the way they answered questions and argued their rationale for prison reform. Congratulations to all 3rd Years for some great work on this topic.

Mr Johnson awarded the three 1st place winners book prizes.

1st Place – Joseph G, Leah F and Kai R

2nd Place – Benjamin M, Oliver H and Christian B

3rd Place – Freddie G and Lily

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

## Celebrating Music & Community

Music and community took centre stage on Saturday as the 'Celebrating the Importance of Music Event' got underway.

The event was held to mark the launch of the Truro School Music Project, a transformative initiative to develop a new, multi-million-pound music centre and refurbished, multi-purpose Assembly Hall. This project also paves the way for improved facilities to support pupil wellbeing.

Head of Truro School, Mr Andy Johnson welcomed pupils, alumni, staff, parents and guests from all over Cornwall and the United Kingdom. [More here](#)

## A Comprehensive Transformation

We are delighted to share these additional images from the music project along with a flythrough, complemented by a beautiful and bespoke composition by Ollie Jones CO23.

The project design entails the creation of approximately 1100m<sup>2</sup> of state-of-the-art teaching, rehearsal, and performance spaces, complemented by a 675m<sup>2</sup> refurbished multi-functional Assembly Hall.

Please see the video and more images about our exciting new building [here](#).

## My Voice Matters

Inspired by Children's Mental Health Week, this week our assemblies have celebrated self-expression and unity. Rev. Helen spoke to pupils about the power of finding their voice in school and amongst their peers.

Our sporting teams also recognise the magic of music, with post-match sing-alongs on the bus ride home often becoming a highlight of their journeys. Mr Sanderson has invited many pupils up onto the stage this week to lead the assembly singing in the chapel. [Read the full story.](#)

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

## Viaje a España

Pupils from the 4th Year to Sixth Form had an exciting long weekend visiting Alicante as part of their studies. The itinerary was packed with exciting activities and educational experiences, ensuring a well-rounded and enjoyable trip for all.

Language lessons were incorporated into the itinerary, allowing pupils to practice their Spanish skills in an immersive environment. Engaging with locals and using the language in real-life situations also enhanced their language proficiency throughout the trip.

The pupils also enjoyed lots of free time to take in the local sights around the town and enjoyed a short trip to the beach to take in the winter sunshine.

## Lights, Camera, Collaboration

Collaboration is the key to success as our youngest members of the Senior School are discovering in WAA Drama Film Making.

Our 1st Years, with the help of Sixth Formers, have come up with a story for a short film and collectively they have collaborated on script writing and the transformation of turning it into a 7-minute short film.

We look forward to discovering whether these cunning robbers will get away scot-free or whether these top-hatted detectives will thwart their plans and save the day.

## Creativity and Mindfulness

Our WAA braiding and bracelet club offers pupils a chance to prioritise creativity and mindfulness on Wednesday afternoons. It serves as a great opportunity for students to take a break from academic studies, engage in conversations with friends, and create beautiful braids and bracelets.

With a wide selection of yarn, colours, and innovative designs to explore, this popular group provides a peaceful and calming environment for all participants.

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

## Primary Heads' Tea

We were delighted to host an afternoon tea for Primary Heads and Year 6 Teachers, who had the opportunity to reunite with their former pupils now in their 1st Year at Truro School. The event provided a wonderful platform for the pupils to reconnect with their teachers, reminisce about their time at primary school, and share their experiences at Truro School so far.

A huge thank you to all the teachers who made such an effort to attend, representing a total of 12 schools.

## Boarding Highlights

Boarders have been enjoying an action-packed few weekends filled with adventure and wellbeing activities. In Plymouth, boarders braved the exhilarating 'viper drop' and indulged in tubing and tobogganing at the dry ski slope, meanwhile, back on the school site, a focus on wellbeing saw boarders enjoying healthy snacks, pampering sessions, and a birthday celebration for Marie, complete with singing and chocolate cake. Throughout the weekend, boarders participated in mindfulness, yoga, and brain gym workshops to prioritise their wellbeing.

They also celebrated Lunar New Year with a delicious hotpot feast and explored virtual reality experiences, hinting at potential house competitions in the future. Leora's Chinese Quiz added to the excitement, with Asia and Taerim emerging as winners. Overall, the weekends have showcased the vibrant spirit and sense of community within the boarding houses.

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

## Super Sporting Round-Up

A busy weekend of running for Kenny, who travelled to RNAS Merryfield in Somerset as part of the Cornish Team in the South West Schools Cross-Country Championships. He had an excellent race in the Senior Boys, coming 15th over the 6k of long grass, mud and rough tracks. On Sunday he raced in the Newquay 10k and came an impressive 4th place overall and was the Under 20 Champion in a PB time of 33:30. Returning to training hard for the National Inter-Counties and English Schools Cross-Country Championships in March.

In the National Schools County Round Badminton Competition held at the SBA and hosted by Truro School, Penair and Torpoint teams joined four Truro School teams in an exhilarating morning of matches. The matches showcased impressive gameplay from all teams, culminating in wins for all four of our teams. Truro School players will now advance and play in the Regional Round of the National Schools' Competition before Easter. Mrs Norfolk said, "This is an exhilarating time for our badminton teams, and it's been a long wait for our young players. The last County Round was played back in 2020 when we couldn't progress to the next round due to Covid."

In Fencing, huge congratulations to Sarang S for winning the South West age group Under 14 sabre title and to Chris L for taking the Under 16 title.

Well done to our U16 football team who recently travelled to King Edward's Witley to take part in the 4th Round of the ESFA. The boys played brilliantly and we are incredibly proud of their efforts.

Our footballers enjoyed matches against Shebbear College and Saints SW last weekend. They all played incredibly well: 1XI 5-1 against Shebbear, U15 6-1 v Shebbear, U14 4-3 v Saints SW, U13 7-1 v Shebbear and U12 3-6 Saints SW.

The U15 netball team travelled to Surrey to play Gordon's School in the semi-final of the Sisters in Sport bowl competition. Truro came out for the second half with newfound composure and produced some solid attacking phases. They won the quarter 11-7 with excellent shooting accuracy, bringing the halftime score back to 14-14. They showed excellent teamwork but unfortunately, it wasn't quite enough, and despite some fantastic defensive and attacking play, Gordon's secured the win with a final score of 37-27. Congratulations to Olivia and Imogen for being awarded Player of the Match from the other team!

In Hockey, the U16 team travelled to Millfield for the regional finals. Mr Opie was really proud of how the boys represented themselves and the school, as they grew in strength through their matches. A big thank you to the coaches, players and parents for getting to school to make sure everyone made the very early departure time.

More exciting cross country news, well done to Harriet S in the 4th Year who has been selected to represent Cornwall at the ESAA National Schools Cross Country Championships at Pontefract on Saturday 16 March. Well done, Harriet. Congratulations on a fantastic achievement!

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

It was fantastic to see so many students take to the courts to play their netball friendlies against Penrice Academy. Well done to all teams, players and coaches on some brilliant netball and both the 1st and 4th Years who achieved wins in their games.

Many congratulations to the School Squash teams who travelled on consecutive days to Taunton and Exeter, competing in the final qualifying rounds of the National Schools, with both making it through in fine style! The KS3 team of Jack S, Archie T, James H, Freddie G and Jacob C came second in their group of 5 schools. KS5 had a group of 3 schools Truro, Exeter and Bryanston. Our team of Callum O, Joe T, Loki N, Billy S, Sam T and Dan F qualified as group winners.

Well done to Yasmin, Tommy and Amelia, who represented Truro School in the NSEA National & County Showjumping qualifier at Bicton Arena last weekend. Congratulations to Yasmin, who came 9th individually out of 83 starters.

Well done, everyone, on yet another fantastic week of sport!

9 FEBRUARY: TRURO SCHOOL NEWS AND UPDATES

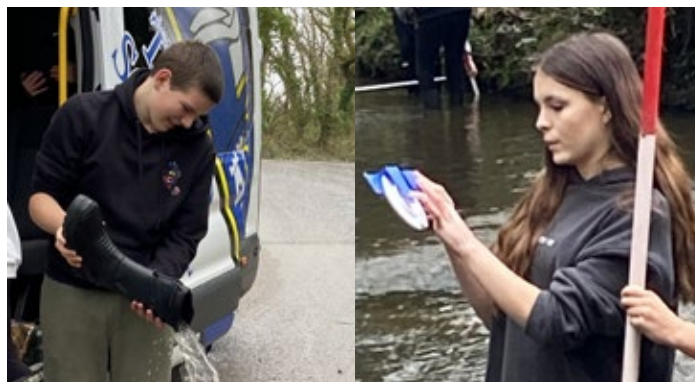

## Talent Shines in House Music

The audience of staff, pupils and their families were taken through a musical smorgasbord at the Junior House Music Event. Held in the Chapel, the evening showcased a range of musical genres, styles and instruments, with our pupil's talent shining brightly throughout.

From rousing drum solos from Winnie and Mikey to excellent performances on the bassoon from Patrick, the audience was also treated to Harris on the cello, enchanting oboe performances from Clara and Hanna and some fantastic piano solos from Freddie and Joseph as well as a beautiful voice solo from Scarlett to name but a few. There was plenty to entertain and inspire.

Well done to all of the performers on the night, it was a truly fantastic showcase of some exceptional musical talent. With thanks to Mr Noon for his excellent judging and thoughtful feedback.

## 3rd Year Environmental Insights

During a recent excursion to the Kenwyn River, 3rd Year geography pupils had the opportunity to apply their classroom knowledge in a practical setting. Over two days, all 3rd Years participated in their river studies at three different locations along the Kenwyn.

Pupils measured the width and depth of a river transect and used an orange to gauge velocity, showcasing impressive dexterity to prevent the fruit from being swept away by swifter currents. This process was repeated at two additional sites, followed by thorough evaluation and analysis to draw meaningful conclusions from their observations.

These hands-on experiences serve as invaluable supplements to classroom learning, fostering a deeper understanding of the subject matter. A huge thank you to our Head of Geography, Mrs. Wormald, and the dedicated staff whose efforts made this enriching experience possible.

**Notes:**

Lunchtime club 1 runs from 1pm-1.30pm. All pupils will then go to lunch at 1.35pm, or a teacher will pre-order and supervise the eating of packed lunches  
Lunchtime club 2 runs from 1.30pm-2pm. All pupils will have lunch following the rota, or a teacher will pre-order and supervise the eating of packed lunches

There are no early lunch passes due to the volume of pupils involved in clubs.

**IMPORTANT COOKERY CLUB INFORMATION:** Cookery clubs on a Monday and Tuesday run from 1600 to 1730 in the cookery school. All ingredients and takeaway containers will be provided and there will be a charge for a full term of 11 lessons of £132 (£12 per session) which will be charged in arrears on the school bill. To reserve a space please email [cookeryclubs@truroschool.com](mailto:cookeryclubs@truroschool.com) clearly stating the name of the pupil, year group, cookery club name and importantly any special dietary allergies or requirements. Please be aware that the cookery school is not a nut free environment, and whilst recipes can sometimes be adapted we cannot ensure that the cookery school is free of nuts.
