24 MAY 2024: TRURO SCHOOL NEWS AND UPDATES

Dear Parents, Guardians, Carers,

With end of this half term in sight, we hope you are all looking forward to an enjoyable break.

As we reflect on a week filled with continuing external GCSE and A-level exams, internal exams for 4th Year and Lower Sixth Formers, and various internal assessments for our lower school pupils, it's clear that our school community is deeply immersed in the assessment process. I thank all our pupils for their hard work and focus. While they can sometimes be a source of pressure and anxiety, these assessments are integral to the learning process, offering numerous benefits that extend far beyond the classroom.

Exams and assessments are essential tools for measuring pupil progress and understanding of their subject material. They provide a clear and objective benchmark for both teachers and pupils to identify areas of strength and pinpoint topics that may require further attention. This ongoing feedback loop helps ensure that learning is effective and targeted, enabling each pupil to achieve their full potential. Most importantly, therefore, they are points on a journey and not defining judgements, and the better we can help the pupils see it that way, the more healthy their relationship with assessment will be.

Assessments viewed in this way encourage pupils to adopt a growth mindset — a belief that their abilities and intelligence can be developed through dedication and hard work and are not fixed or defined by any one test or exam. Facing tricky questions and tasks during exams pushes pupils to stretch their cognitive abilities, fosters resilience, and a willingness to embrace challenges. This mindset is crucial not only for academic success but also for lifelong learning and personal development.

Exams often require pupils to apply their knowledge in novel ways, promoting critical thinking and problem-solving skills. By working through complex problems and developing solutions, pupils enhance their ability to think analytically and creatively. These skills are invaluable, preparing them for future academic pursuits and real-world challenges.

The structure of regular but not all-consuming assessment helps pupils maintain focus and motivation throughout the school year. Knowing that exams are upcoming can encourage consistent study habits and a deeper engagement with the subject matter. This regular preparation helps pupils develop discipline and time management skills, which are essential for success in higher education and beyond. And we are here to help educate them to understand the benefits as well as to support them managing the anxiety, in all the ways we can.

In conclusion, assessments are more than just a means of assigning grades; they are a fundamental part of the educational process that supports and enhances learning and development in myriad ways. Therefore, Even more importantly than the exams, will be the feedback from them. After the half term break, teachers will give advice and feedback to those who have sat internal assessments, with many departments supporting pupils to fill in self-reflections and complete follow-on tasks that will support their ongoing learning journey.

Thank you for your continued support in fostering a positive and productive learning environment for all our pupils and we wish everyone a relaxing half term break.

Warm regards Emma Ellison Assistant Head (Director of Studies)

09:00 - 17:00 Drama: Crossroads
Technical Rehearsal, Burrell Theatre

4th Year Careers Day - Advance Notice - all Day Monday 10 June

4th Years will attend registration as usual (no Chapel) and then be out of normal lessons all day, attending a series of workshops on employability, apprenticeships and university applications, as well as completing their Morrisby Psychometric testing. These tests require no revision but produce a personalised report on possible subject and career choices, to assist students as they begin to think about their choices at 16. More information to follow via a letter sent out after half term, and a parental information event held on Teams on Monday 10 June, 6-6.30 pm.

School News

24 MAY 2024: TRURO SCHOOL NEWS AND UPDATES

Sunny Delights in Adventure Gully

Boarders enjoyed a weekend of adventure at the Newquay Activity Centre, participating in coasteering and giant SUP boarding along the Cornish coast. Adventure Gully is a natural hidden gem on the North Cornish coast, which provided a thrilling weekend experience for our boarders, who climbed through the rock at Smeagol's Perch and jumped into crystal-clear plunge pools. The team even met the local friendly seal, who popped up to say hello.

Guided by expert instructors, the boarding team honed their coasteering skills, navigating sluices, natural rapids, and the gully wash trough. The sunny day was ideal for exploring this natural aquatic playground, filled with rock ledges and pools and practising their teamwork skills while paddling a giant SUP through the coastal caves of this beautiful natural coastline.

Bronze DofE Training Walk

3rd Year pupils embarked on their first Duke of Edinburgh (DofE) experience last weekend, equipped with compasses, maps and backpacks. The teams set off at staggered times over two days to navigate a 15km circular hike encompassing Porthtowan, Chapel Porth, and St Agnes Beacon. The journey included thrilling climbs, picturesque lunch stops, and passed one of Cornwall's iconic engine houses.

Carrying all their personal belongings, tents, and supplies for the 24-hour event, this hike served as their first intraining expedition before their DofE bronze award walk in a few weeks. All teams successfully completed the hike, returning to the campsite in time to enjoy a stunning sunset and some impromptu camp entertainment.

Our WAA Sailors are on Course

The WAA sailors have been out on the Helford enjoying the warm weather and practising their helming and crewing skills as they work towards becoming independent sailors. The sailing school provides a range of different boats, giving our WAA group the opportunity to develop and practice their skills in the safe and beautifully clear waters of the Helford River; so clear, last week they even spotted a spider crab.

This WAA group attracts both novice and experienced sailors, allowing them to learn and develop new skills. It is so much more than just getting from A to B, sailing is about setting personal goals, which helps to build resilience, self-confidence, and teamwork and often results in a lifelong passion for spending time on the water.

School News

24 MAY 2024: TRURO SCHOOL NEWS AND UPDATES

1st Years Shine at Tech Jam

A group of enthusiastic 1st Year girls attended the TecGirls Cybersecurity Tech Jam. The event featured a series of engaging workshops designed to introduce young minds to the world of cybersecurity.

Throughout the day, the girls participated in various hands-on activities. They learned how to protect 'data'—represented by sweets—by programming a safe using Lego. Additionally, they delved into the intricacies of encryption, explored computer network security, and honed their logic and programming skills.

The event was a fantastic opportunity for the pupils to immerse themselves in the field of cybersecurity, sparking their interest and building foundational skills for the future. Thank you to Mrs Lobb and Mrs Holt for organising the trip.

A Week of Celebrations

It was a time for celebration in Chapel as pupils and staff gathered to mark the Christian festival of Pentecost (20th May). Pentecost commemorates the descent of the Holy Spirit upon the Disciples and marks the birth of the world church – the beginning of the Christian church's mission out to the world. Christians are encouraged to discover how the fruits of the Holy Spirit (eg love, patience, kindness, gentleness) can be seen in our lives when we strive to follow the example of Christ.

This week is also a time for celebration in the Buddhist Faith and we welcomed Sophie Muir to Chapel. Sophie is the Buddhist Representative to the Cornwall Faith Forum. Sophie talked to pupils about Buddha Purnima, also known as Vesak, which marks the birth, enlightenment, and death of Buddha.

As she explained the importance of Vesak (celebrated on 23rd May), Sophie shared her prayer flags with our community; they are usually made in five colours to represent the elements sky (blue), fire (red), water (green), earth (yellow) and air (white).

She kindly left some prayer flags for us to display in school. During break and lunch, pupils and students were invited to create their own prayer flags, featuring symbols of fruits of the spirit.

As we celebrate these faith festivals together, we are all encouraged to seek ways to show love, patience, kindness, generosity, faithfulness, gentleness, peace and self-control in our lives.

We would like to thank Rev Helen and Sophie for this lovely celebration of faiths within our School community.

News From The ECO-COMMITTEE

The school's Eco-Committee is a passionate group of pupils, students and staff committed to fostering environmental awareness and sustainability within the school community. The committee meet every Friday morning to discuss and implement green initiatives, aiming to make Truro School and the community more eco-friendly. The committee recently hosted an assembly for all pupils on World Earth Day where they shared a film they had made about all the useful things pupils can do within the school to make a difference.

News Update

As we approach the half term, the Eco-Committee would like to share some wonderful ideas to help increase biodiversity in our county. These activities are perfect for families looking to make a positive environmental impact during the break. You can find these ideas on the Cornwall Wildlife Trust's website here. Suggestions range from creating bird boxes to building a coastal garden, offering fun and educational ways to connect with nature.

Additionally, the Eco-Committee would like to share valuable advice on reducing plastic usage while travelling. This is particularly relevant for families planning trips over the half term. We recommend including the "9 Ways to Travel with Less Plastic" poster on the next page. This poster provides practical tips to minimise plastic waste and promote sustainable travel practices.

We are grateful for your support and enthusiasm as we continue to work towards a greener future. Together, we can make a significant difference in protecting our environment.

9 WAYS TO TRAVEL WITH LESS PLASTIC

Eight million tonnes of plastic are dumped in our oceans every year and without worldwide effort, there could be more plastic in the sea than fish by 2050*.

We're all becoming increasingly aware of our unsustainable demand for single-use plastics and the damage this is doing to our world. There's no time like the present to start reducing our own plastic consumption and begin travelling more sustainably.

Whilst it's easy to get into good habits at home, it can seem much harder to reduce the use of plastic when travelling. But to show how easy it can be, here are 9 handy tips to help you reduce plastic waste whilst on a trip...

* WWF

DON'T FORGET!

RAISE AWARENESS WITH YOUR FELLOW TRAVELLERS ABOUT AVOIDING SINGLE-USE PLASTIC.

IT'S ONE OF THE BEST THINGS WE CAN ALL DO FOR OUR PLANET!

1. CARRY A REUSEABLE DRINK BOTTLE

2. TAKE REUSEABLE CONTAINERS TO CARRY SNACKS

3. SAY NO TO PLASTIC STRAWS

4. USE REUSEABLE TOILETRY BOTTLES

5. SHOP AT LOCAL MARKETS TO AVOID EXCESSIVE PLASTIC PACKAGING

6. PACK REUSEABLE SHOPPING BAGS

7. CARRY YOUR OWN CUTLERY

8. CHOOSE ICE-CREAMS IN CONES NOT TUBS

9. THINK TWICE ABOUT AIRLINE FOOD WHICH IS OFTEN WRAPPED IN PLASTIC FOR TRANSPORTATION

Lunchtime club 1 runs from 1pm-1.30pm. All pupils will then go to lunch at 1.35pm, or a teacher will pre-order and supervise the eating of packed lunches

Lunchtime club 2 runs from 1.30pm-2pm. All pupils will have lunch following the rota, or a teacher will pre-order and supervise the eating of packed lunches There are no early lunch passes due to the volume of pupils involved in clubs.

IMPORTANT COOKERY CLUB INFORMATION: Cookery clubs on a Monday and Tuesday run from 1600 to 1730 in the cookery school. All ingredients and takeaway containers will be provided and there will be a charge of £12 per session which will be charged in arrears on the school bill. Students sign up for the whole term. To reserve a space please email cookeryclubs@truroschool.com clearly stating the name of the pupil, year group, cookery club and importantly any special dietary allergies or requirements. Please be aware that the cookery school is not a nut free environment, and whilst recipes can sometimes be adapted we cannot ensure that the cookery school is rot a nut free environment, and whilst recipes can sometimes be adapted we cannot ensure that the cookery school is free of nuts.

Changes from the previous clubs document published have been highlighted.

If you would like further information on any clubs please contact sportsadmin@truroschool.com for sports clubs, music@truroschool.com for music clubs, bto@truroschool.com for drama and IDTA dance clubs all other club questions should be sent to co-curriculum@truroschool.com

Club Expectation for the Summer Term:

1st, 2nd & 3rd Years - 3 Clubs per week

4th Year – 2 Clubs per week

Lower Sixth – 1 Club per week
