

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

Dear Parents and Carers,

I find it astonishing that the Truro School Prep and Pre-Prep Sports Days took place just a week ago. So much has happened over the past seven days and, whilst I understand that some of you may be seeing signs of a little fatigue from them at home, I take this opportunity to congratulate your busy and successful children on their achievements and their enthusiasm for all aspects of school life. As for this week's sporting news, three U10 teams enjoyed a super festival of cricket at Mount Hawke Cricket Club and Mrs Sparks reports that the Goblin Green Power race team were in spectacularly good form at Perranporth Airfield on Thursday and picked up the Sustainable Bodywork Award along the way.

By way of contrast, the Nursery project on 'Transport' continued with a visit from a pony and trap, and Year 1 thoroughly enjoyed their visit to Chapel Porth Beach.

Throw in a Full Board Governors meeting, sessions for a raft of new pupils, visits from prospective parents and a whole school barbecue lunch, and you have a taste of what has been on the menu.

Of course, the main course has been the culmination of the Year 6's preparation for their production of 'Beauty and the Beast'. Taking place in the Burrell Theatre at Truro School on Tuesday and Wednesday evenings, both audiences were treated to a feast of dramatic talent and entertainment. The production was truly superb and, such was the confidence and composure of the cast, that it was difficult to comprehend that the performers were of prep school age.

I take this opportunity to congratulate the entire cast and the team of staff and volunteers who made the production such a success. Particular thanks go to Jane Ashdown and the Year 6 artists for creating the backdrop scenery, to Maria Eva as musical director and of course to the dynamic duo of Sue Rowe and Annabel Gregory who were the driving force behind the entire project.

The performances, however, were merely the finishing line of a journey that has been many months in the making and I am acutely aware that there were times when the rehearsal schedule was demanding. It gives me great pleasure to report that the children displayed great resilience at these times and, furthermore, a good deal of endeavour to work towards their common goal.

The topic of resilience has been a focal point this week as remaining positive and maintaining momentum is always a challenge towards the end of an academic term, particularly so when there are several changes to a regular routine and when such changes arrive when the children are a little tired.

Monday's Prep School assembly provided the opportunity to explore the story of Bethany Hamilton, the Hawaiian surfer who experienced tragedy when a shark attack left her without a left arm. As some of you will know, after just 26 days Bethany was surfing again and she soon returned to the world's top 50 women surfers. She has dedicated much of her life to being a role model for young amputees and her story was made into the film 'Soul Surfer'.

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

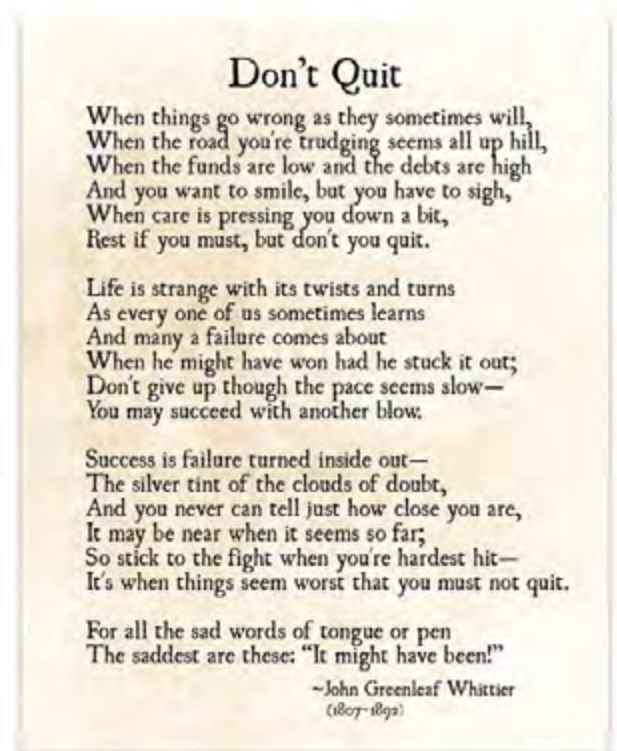

CONTINUED

Our assembly made use of this example to identify firstly that we are fortunate to have avoided Bethany's experience, but also that we have all met with occasions when life has not gone according to plan. We identified that all such occasions are challenges and it is up to us, as individuals, to control how we react. We can react negatively and feel sorry for ourselves or we can react positively, showing resilience and endeavour, accepting the challenge that has been put in our way and working hard to overcome it. The crux of this message is rather neatly summed up in the poem by John Greenleaf Whittier (1807 – 1892) entitled 'Don't Quit'.

Looking to the future, I look forward to seeing many of you at the 'Meet the Teacher' event on Monday evening and, in the meantime, I wish you all a lovely weekend.

With every good wish,

Rob

NOTICES

Pre-Prep Charity Tea Towel

Don't worry if you have forgotten to order your Pre-Prep tea towel. There are a few left. If you would like to buy one and help support The Star Light Ward at Bristol Children's hospital, they are £7 each and are available from Mrs Beveridge and Mrs Millne.

Please could we remind anyone who has not paid for their order yet to send in money before the end of term. Many thanks.

Monday 1 July - Friday 5 July 2024

Details may change; please check the online calendar for updates.

Monday 1 July

Reception woodland learning, including
woodland tea party for parents

2.30pm

Years 3, 4, 5 & 6 12.15pm

Shuttle bus to senior school 1pm

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

A Beauty of a Performance for Year 6

Telling a tale as old as time; a young girl who dreams of a life beyond her village and a handsome prince, transformed into a hideous beast... our courageous Year 6 pupils' performance of Disney's Beauty and the Beast Jr wowed audiences at the Burrell Theatre this week.

Held over two nights, our pupils brought to life this magical tale of enchantment, overcoming fear and prejudice and finding love in unexpected places. With a stellar cast leading the way, it was a theatrical treat for the lucky audiences.

The role of heroine Belle was brilliantly performed by Mia and Sylvie; cleverly channelling her bravery, courage and kindness as she grows to love the Beast (taken on by Atticus and Ben) as he transforms from grizzly and cruel to kind and vulnerable.

There were plenty of laughs delivered, with special mentions to the pairings of Gaston (Luca and Thomas) and Lefou (Logan and Fergus) and Lumiere (Archie and Raif) and Cogsworth (Isaac and Sophie) who had the audience rolling in the aisles with their perfectly delivered quips and rousing songs.

There were touching moments too, as Mrs Potts (perfectly pitched by both Jenny and Gracie) beautifully sang the title song, 'Beauty and the Beast' and again with the poignant, 'Human Again', sung by the Servants.

A visual feast, performed with energy, enthusiasm, care and courage, it was a fantastic performance that every cast and crew member should be extremely proud of. Huge thanks and well done to our incredible Year 6 pupils, our brilliant Burrell Theatre, Tech and OPS teams, and our phenomenal parent helpers. Special thanks to our talented staff team who get the very best from every child for these stunning performances. Well done to all!

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

Mathletes are Go!

Good luck to our Maths Team who are travelling up to Oxford University to take part in the Quiz Club National Mathematics Finals on the 28th June.

We look forward to sharing how they got on next week.

Year 5 Kwik Cricket

On Tuesday 25 June, Year 5 took part in the annual Kwik Cricket Festival run by Cornwall Cricket. With three teams entered into the festival, the aim of the day was to increase the children's cricket skills through participation and enjoyment.

Facing strong opposition from Archbishop Benson, Bosvigo, St Agnes and Trevithick Schools, we rose to the occasion; all three teams produced some great performances, showcasing fantastic teamwork, resilience and outstanding cricketing skills.

Buddies in Books

Our final Buddy Reading session took part across Prep as our older children took their younger peers under their literary wings for some quality paired reading time.

It was the final time our Year 6s will read with their buddies (who are now in Year 3) and the last time our Year 3s will be read to; next year they will step up into the buddy role.

These valuable sessions not only inspire a shared love of reading but also give our older pupils valuable mentoring and leadership experience. We are certain that all of the children involved relish this special time as they enjoy a much-loved book together.

You can view more lovely photos online [here](#).

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

Go Goblins!

Our hard-working DT Club finished the year with a flourish as they took their Goblin car to the GreenPower Goblin Race Day at Perranporth Airfield.

The car is made from a kit supplied by Greenpower Education Trust. This UK-based charity aims to inspire a love of Science, Technology, Engineering and Maths (STEM) through the excitement of motorsport. Over 700 teams, comprising 10,000 pupils, take part across the UK over 30 regional events and a National Final.

Each Goblin car has to be built to exact specifications to ensure it is race-worthy and can only be decorated with reused or recycled materials.

Having rigorously tested the car in the Prep playground, the DT Club pupils were excited to see how it performed under real race conditions.

With a long race, drag races and slalom events taking place throughout the day, it was a brilliant chance to have fun and share in the joy and pride of creating something truly special. In the year of courage, our young drivers certainly shone through with their determination and bravery on the track.

A huge thanks must go to Mrs Sparkes who works so hard to make this fantastic project possible.

Horsing Around in Nursery

Our lucky Nursery children had a fantastic afternoon as their topic on transport came to an end. They were visited by two ponies, Norris, a Welsh Section C and Toffee, a rare-breed Exmoor pony and their human owners, Harvey and his mum.

Norris had a splendid exercise cart which allowed the children to think about a time before cars when the horse reigned supreme. Having learnt a song about horses and the Makaton for horses in the morning, they were able to identify the different parts of the cart and note important parts of the riding kit including Harvey's jodhpurs and riding hat.

It was extremely exciting to see the ponies trotting outside of Tresliske House and it was a memorable moment for both the children and staff alike. We would like to thank Harvey and his mum for sharing their beautiful ponies with us and Mrs Banks who has brought the topic of transport to life this term.

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

Courage and Smiles at Pre-Prep Sports

Our youngest pupils shone brightly, with great courage and determination shown by all at our annual Pre-Prep Sports Day.

Designed to encourage every child to do their best, the morning was filled with track and field events, while the afternoon was a chance for our pupils to share their sporting prowess with their parents and families.

With exciting individual events such as the 50 and 75m sprints and team relays, obstacle courses and the egg and spoon race, it was a day of fun for everyone.

Well done to all of our pupils who got stuck in and gave it their very best. We were so proud to see lovely sportsmanship and camaraderie as they cheered their peers on from the sidelines.

A huge thank you to the staff who made the day possible, with special thanks to Mrs Egford and our Year 5 helpers. Thanks too to our amazing Pre-Prep pupils and their families for coming along to support such a memorable afternoon.

The full list of results and more lovely photos can be viewed [here](#).

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

Determination and Fun at Prep Sports Day

Our pupils showed fantastic determination, camaraderie and courage as pupils, staff and families gathered to celebrate Prep's Sports Day. Our school field looked brilliant in the summer sunshine, with a riot of colour on display supporting our four houses, Smith, School, Vinter and Wickett, and families tucked into special picnics organised by the FTS.

Events, which included the vortex throw, long jump and high jump, relays and individual track events culminated in a House tug-of-war competition to complete a fantastic day.

There were some stunning team and individual performances, with new school records set and we would like to congratulate all of our winners from the day.

Alongside our winners, it was wonderful to see all our children getting stuck in and giving different events a go, regardless of their sporting ability. This reflects the ethos behind Sport at Truro School, which fosters teamwork, participation and determination.

The full story, results and more lovely photos (in two galleries) can be viewed [here](#).

28 JUNE 2024: TRURO SCHOOL NEWS AND UPDATES

A Joyful Summer Fayre

A huge thank you to the Friends of Truro School (FTS), our amazing boarders and our Truro School Prep families, staff and visitors who made this year's Summer Fayre such a joyful occasion.

The grounds were packed with families, enjoying the stalls and games. There was certainly plenty to choose from, with a silent disco, Country Fayre Competition, teddy tombola, face painting and cake stall outside the Grassby Classrooms and everything from welly wanging, archery and a coconut shy to a huge bouncy castle on the field.

The egg and spoon races were great fun but the highlight of the day had to be the Soak a Teacher game which left Mr Morse, Mr Frewer and Mr Keveren decidedly soggy.

It was a truly happy afternoon and it was wonderful to see our community coming together and having so much fun.

You can view the full gallery online [here](#).

Year 1 Beach Trip

Last Friday, Year 1 went to Chapel Porth Beach. Whilst there, the children explored rock pools looking for animals from our local habitat.

They also built sandcastles in groups and played cricket in the sand. We finished the day with a lovely ice cream in the sun.

Managing Sibling Rivalry: Tips for Parents

Sibling rivalry is a common and often challenging aspect of family life. As parents, it's natural to feel concerned when your children argue or compete with each other. Here are some practical tips to manage sibling rivalry in your home.

1. Encourage Positive Relationships

- Promote Teamwork: Encourage activities that require cooperation, such as team games or joint projects. This helps children learn to work together and appreciate each other's strengths.
- Celebrate Individuality: Recognise and celebrate each child's unique talents and interests. This reduces feelings of competition and boosts self-esteem.

2. Set Clear Family Rules

- Establish Guidelines: Set clear rules about acceptable behaviour and how conflicts should be handled. Make sure all children understand these rules. Write these down and have them on display.
- Consistent Consequences: Apply consequences consistently when rules are broken. This helps children understand the importance of respecting each other.

3. Model Positive Behaviour

- Conflict Resolution: Demonstrate healthy ways to resolve conflicts. Let your children see you negotiate and compromise in your relationships.

4. Provide Individual Attention

- One-on-One Time: Spend quality time with each child individually. This can reduce feelings of jealousy and competition for your attention.
- Special Activities: Plan special activities that cater to each child's interests. This helps them feel valued and understood.

5. Teach Conflict Resolution Skills

- Problem-Solving: Encourage children to talk about their feelings and find solutions together. Teach them to listen to each other and express their needs calmly.
- Compromise and Sharing: Help your children understand the importance of compromise and sharing. Praise them when they demonstrate these skills.

News & Information for Parents

Family Focus continued

6. Avoid Comparisons

- Focus on Strengths: Highlight each child's strengths and achievements without comparing them to their siblings. This fosters a positive self-image.
- Individual Goals: Set individual goals based on each child's abilities and interests, rather than using a one-size-fits-all approach.

7. Create Opportunities for Bonding

- Family Activities: Plan regular family activities that everyone can enjoy. This strengthens family bonds and creates positive shared experiences.
- Encourage Collaboration: Assign tasks that require siblings to work together, such as cleaning up after meals or planning a family outing.

8. Stay Neutral and Fair

- Avoid Taking Sides: Stay neutral during conflicts and avoid taking sides. Encourage your children to resolve their issues independently, stepping in only when necessary.
- Fairness: Ensure fairness in how you distribute attention, privileges, and responsibilities.

9. Address Underlying Issues

- Identify Triggers: Pay attention to patterns and identify what triggers conflicts. Addressing these underlying issues can help reduce the frequency of rivalry.
- Support Emotional Needs: Be attentive to your children's emotional needs. Sometimes, rivalry stems from feelings of insecurity or a need for more attention.

10. Seek Professional Help if Needed

- Counselling: If sibling rivalry becomes severe or unmanageable, consider seeking help from your GP. Professional guidance can provide strategies tailored to your family's needs.

NOTES FROM THE WILD WOOD

It's Wild Outside!

Habitat Creation

It's been a busy year in our amazing wild school grounds. During Forest School sessions, we have been busy making more habitats for nature. This year we have created a wormery, 6 bird boxes, 6 solitary and mining bee hotels, one big bug hotel, 3 new woodpiles, 1 homemade hedgehog house, 1 small nature pond, 3 homemade bird feeders and created more meadow areas. Additionally, in the building we have improved our recycling! Many of our habitat construction ideas have come from the Wildlife Trust. Try some of these ideas! [Activities](#) | [Wildlife Watch](#)

Citizen Science

Our bee hotels have had some of the bees removed by our woodpeckers who have made the holes slightly larger! What an easy lunch! We have recorded this data for a citizen science project and earlier in the year we also created temporary ladybird hibernation hotels for Sussex University. You too can join in [The Big Bee Hotel Experiment](#) | [Buzz Club \(thebuzzclub.uk\)](#) We are also reporting our sighting of increasingly rare lesser Stag Beetles which spend four years of their lives in rotting tree stumps and only 3 months as beetles. We are lucky to have them and are working to maintain this important habitat. [Stag Beetles - record your sightings for the Great Stag Hunt - PTES](#)

Caught on camera

Our Wildlife camera has been brilliant! We have been lucky enough to see badgers, foxes, rabbits, many types of bird including Nuthatches. We are delighted to have also seen a weasel.

It's Wild Outside! continued

Environmental Education

We are working hard with the senior school to earn a Green Flag Award for good environmental education and practice and have mapped our school site and the wildlife improvements we have made with National Education Nature Park and Climate Action Awards. We also have a sustainability committee. Next year all children will help being our eco-monitors to help us save resources and reduce waste. As ever we continue to reduce our use of plastics with further work to come. In the Prep, families joined some beach cleans thanks to Beach Guardians and in the Pre-Prep, families also collected beach plastic pollution to turn it into art. Thanks to Mrs Nixon for helping create our amazing plastic pollution display inspired by Cornish artist Rob Arnold.

[The Green Flag Award - Green Flag Award](#)

[Home | Education Nature Park](#)

Over the Summer you can join the Big Butterfly Count. This just takes 15 minutes on any days you like and is a great way to get everyone outside, to the dunes, wood and moors we are so lucky to have on our doorstep. [Big Butterfly Count \(butterfly-conservation.org\)](http://butterfly-conservation.org)

If you have anything wild to tell us about, we'd love to hear all about it and welcome your suggestions too.

With thanks and go wild this Summer!
Mrs Stableforth (Forest School Lead)

Pre-Prep

Achievements

Our Learning This Week:

The last two weeks have passed by in a blur and our challenge today is to give you a taster of all the events and learning that the children have enjoyed.

Last week started with a delightful Year 2 Leavers' assembly and this was followed by the Pre-Prep Sports Day, where the children displayed great efforts across all the events. Year 1 then travelled to Chapel Porth on Friday and lots of the children attended the fantastic FTS Summer Fayre on Saturday (Mr Keveren has only just dried off!).

This week, Reception demonstrated their artistic abilities during their Ballet recital, Nursery continued to learn about their transport topic and thoroughly enjoyed the visit of a horse and carriage, whilst Year 2 threw a wonderful tea party where they ate the carrots that they had grown outside their classrooms and the scones they had made with Mrs Daffern (an unusual but tasty food pairing!).

Class Dojo Winners KS1

Tilly
Rose
Tom
Gabriella

Pre-Prep

Achievements

Our Learning This Week (continued):

On Thursday, all the children read stories with their 'buddy readers' before our Year 1 and Year 2 children spent some time in the Prep classrooms to further help with their transition next year and beyond.

As part of the amazing summer of sport we are experiencing, the Pre-Prep children took part in an Olympic morning. This started with an assembly discussing the modern and ancient Olympic games and finished with all children attempting traditional sports like discus, javelin, running, tug of war and a 'chariot' race. This was finished off by a BBQ lunch cooked by Mrs McIntosh and her team.

What a couple of weeks we have had, and it does not stop there. Next week, with the General Election just around the corner, Year 2 are petitioning for votes for positive changes that we can make to our Pre-Prep in the future. More to follow on that next week!

Ms Williams and Mr Keveren

Swimming

Dylan 5SL took part in the Newquay Cormorants club championships 2024, winning five gold medals!

Gold: 100m IM
Gold: 100m Front crawl
Gold: 50m Back stroke
Gold: 100m Breast stroke
Gold: 50m Butterfly

Heads Commendations

Ellie 5SL for The John Muir Project:

Ellie has produced some exceptional work for her John Muir award. She focused on owls - giving us regular updates on a tawny owl nest, producing an owl quiz and making her own owl family out of different materials.

Digby 5LJ for The John Muir Project:

Digby has absolutely loved his John Muir project. His video diary of his week-long outdoor camp was highly entertaining and his nature video (featuring pigs, otters and an outraged pigeon) was delightful.

Annie 5CD for The John Muir Project:

Annie is an accomplished wood whittler. Her John Muir project featured an interesting presentation about wood whittling, as well as her masterpiece - a series of whittled sticks (from a variety of woods) and an impressively carved carved character.

Handwriting

Pen Licences have been awarded to the following pupils:

3ME: Kaleem
3SM: Elodie

Prep

Achievements

Horseriding

Delilah 6AG has had a fantastic season with her horse, Magnus.

Delilah is ranked 1st in the British Showjumping KBIS Junior Regional Ranking list - and she will represent the South West at the British Showjumping National Championship Finals at Stoneleigh in August.

She has qualified in 6 classes for the National Championships at The All England Showjumping Course, Hickstead in September.

At the weekend Delilah received confirmation that she will represent Cornwall as part of the Junior showjumping team at Chard Equestrian Centre in September.

Inspiring holiday creative writing workshops

Did you know that children can forget up to 40% of what they've learnt over the summer holidays?

Orion Education are excited to announce their Summer Special creative writing workshops in Truro and Falmouth.

The 90 minute creative writing sessions will be run by Oxford graduate and qualified primary teacher Katherine.

They are designed to:

- Boost imagination and foster creativity
- Enhance vocabulary and descriptive writing
- Develop confidence and overall writing skills

Truro dates: 31st July and 14th August at Truro Library at 10:30am

For more details or to book a place please get in touch!
