

27 SEPTEMBER 2024: TRURO SCHOOL NEWS AND UPDATES

Dear Parents, Guardians, Carers,

¡Hola! Bonjour! Hallo! Nǐ hǎo! Hej! привет! Witam! привіт! Sveiki! Kon'nichiwa! Xin chào! Hello! Dydh da! (Spanish, French, German, Chinese, Swedish, Russian, Polish, Ukrainian, Lithuanian, Japanese, Vietnamese, English, Cornish respectively)

I hope this message finds you well. It has been an exciting and eventful week here at school, with many wonderful activities that showcase the richness of our co-curriculum, alongside key academic events.

European Day of Languages

This week, we celebrated European Language Week with great enthusiasm! Pupils from all year groups participated in a variety of language-based activities designed to enhance their understanding of different European cultures. It was wonderful to see so many pupils embrace the opportunity to explore new languages and be fully immersed in an assembly of different languages. Pupils have also been encouraged to create a poster illustrating the theme of Languages of Peace. Events like these not only broaden pupils' horizons but also develop their communication and problem-solving skills — both critical attributes in academic study and future employment.

Sixth Form Open Evening

On Tuesday, we hosted a successful Sixth Form Open Evening. It was a pleasure to welcome so many prospective pupils and their families. They had the opportunity to tour the facilities, meet subject teachers, and learn about the range of co-curricular opportunities available at Sixth Form level. Our current Sixth Formers also played a pivotal role in the evening, offering insights into how involvement in the co-curriculum and diploma has enriched their academic experience. Many pupils shared how leadership roles in clubs, participation in sports teams, and involvement in the arts have helped them manage time effectively, think critically, and work collaboratively—skills that will be invaluable in both higher education and the workplace.

The Value of Co-Curricular Involvement

The co-curriculum remains at the heart of our school's ethos, supporting pupils in their holistic development. Research, including findings from the Youth Sports Trust, continues to underline the strong link between co-curricular involvement and academic achievement. The survey revealed that nationally 72% of young people involved in sports and co-curricular activities feel more motivated in their studies, with 65% noting improvements in their mental health and well-being. These attributes—resilience, teamwork, leadership—are all highly valued by employers in the modern workforce. As we look to the future, ensuring our pupils build on these skills alongside their academic studies will remain a top priority. Please do chat to your child about how they use their time at lunchtime and after school and encourage them to get involved.

Our 1st Years have all been out on their teambuilding activities this week, which is a wonderful way to develop teamwork and camaraderie with their peers. Geography and Geology field work is also taking place, allowing the pupils to collect valuable data for their academic studies.

Looking Ahead

As we move further into the term, we are excited about more events, fixtures, performances and opportunities for our pupils. The school will continue to provide platforms where pupils can excel both inside and outside the classroom, and we encourage all pupils to take full advantage of what is on offer. To check the attendance of your child at their co-curricular clubs, please contact their form tutor who will be happy to help.

Thank you for your continued support.

Kind regards, Mrs. Zoe Jobling Deputy Head (Co-Curriculum & Partnership)

Open Morning - Tour Guides - Saturday 5 October

We are excited to welcome prospective pupils and their families to our Whole School Open Morning on Saturday, 5th October. Many of you may remember attending and enjoying this event in the past, and we appreciate your continued involvement.

You should have already received an email from Mrs. Thurlow or Mr. Picton with further details. We are incredibly grateful for your support in helping to make the day a warm and positive experience. Having our current pupils engage with and guide future families around the school is an essential part of creating a welcoming atmosphere.

If you haven't yet confirmed your attendance, please take a moment to do so by filling out this form.

Thank you!

Action Plan 2024-5: Presentation and Q&A

Truro School and Truro School Prep Action Plan 2024-5: Presentation and Q&A Thursday 10 October in the Burrell Theatre from 6:00-8:00PM.

Further to the Head's letter on 10 September 2024, the focus for the above event will be the School's Action Plan for 2024-5 and its location within our wider Strategic Plan. This event is open to all current parents, carers or guardians of pupils in both the Senior and Prep Schools. If you are keen to attend, please use this <u>link to RSVP</u> before 1 October 2024 so that we can plan suitable refreshments.

Charity Day - Friday 11 October

On Friday 11 October we will be holding our next Charity Day, and pupils will be able to wear home clothes into school by donating £2 for the two charities we have chosen to support this month. This time we will be supporting the Methodist action charity, **All We Can**, to support them in their work with small scale charities and communities around the world. We are also collecting donations for the **St Austell Foodbank** and donations of non-perishable items are very welcome. A list of particularly important items is shown on the link below. Donations can be given to form tutors next week and will be taken to the Chapel on Friday ready for the Foodbank to pick up. You can find out more about both the charities here: Donate food | St Austell Foodbank and All We Can - Methodist Relief and Development

The Community Action Team is a student and pupil led committee which research different charities and vote on which ones the school will support each term. As a rule, they tend not to choose the big charity days such as Children In Need or Sport Relief- although they are fantastic projects, we usually opt to support smaller local charities, charities which are particularly pertinent at a given time such as disaster appeals, or those where the majority of our donation goes to the cause rather than towards administrative costs. All our pupils then learn about the organisations we have chosen to support during a presentation in Chapel.

The donations will be added to school bills as we have switched to a cashless system at school. We hope that you will be happy to donate towards the charities the CAT have chosen, but please feel free to opt out by contacting the Finance office.

Best wishes, The Community Action Team

Important Parking Reminder for Parents

We kindly ask all parents to refrain from using private car parks near the School for dropping off or collecting children. Recently, the BBC Cornwall car park has been used for this purpose, which poses potential health and safety risks and could reflect poorly on our school community.

Your cooperation is greatly appreciated as we work together to ensure the safety and wellbeing of everyone.

Thank you for your understanding!

27 SEPTEMBER 2024: TRURO SCHOOL NEWS AND UPDATES

Mr. Floyd Steadman OBE

This week, we had the privilege of hearing from the inspirational rugby legend and recently appointed Deputy Lieutenant of Cornwall, Floyd Steadman OBE.

He talked to all year groups about his remarkable life story, which included a candid account of his turbulent early family life, his experiences of social services and homelessness in London in the 1960s and overcoming discrimination and adversity in pursuit of studying A-Levels and his dream of becoming a teacher.

Floyd, a talented rugby player saw him rise through the ranks of his sport and made history as the first black captain of the Saracens, earning a place in the Rugby Hall of Fame. After fulfilling his dream of becoming a teacher, he advanced through the educational system, ultimately achieving positions as deputy headteacher and headmaster at several preparatory schools. In recognition of his contributions to rugby, education and charity he was honoured in 2023 with an OBE.

With his long-standing family roots in West Cornwall, his talk was insightful and thought-provoking. He stressed the need to continually challenge perceptions, break down barriers, and address unconscious bias without ourselves and our community. He left us with a sense of well-being, emphasising the importance of our values and responding to any situation with kindness and compassion.

Mr Murphy thanked Mr Steadman for sharing his inspiring story and encouraged pupils to speak to any member of the Safeguarding team regarding any topics

discussed that may have impacted them. Additionally, he recommended that everyone read Mr. Steadman's book, A Week One Summer, available in the school library.

1st Year Footsteps of Discovery

This week, our 1st Years embarked on a day of team building in the stunning setting of Nantillio Woods, near Newquay. Held across two days, activities included developing rope and bushcraft skills, orienteering and code-breaking. Each day finished with an epic competition of 'Stand By', which required knot-tying and teamwork skills to win.

Run by Footsteps of Discovery, the days are a part of Truro School's structured induction programme into the Lower School.

This programme enables our newest recruits to solidify friendships, work together and develop compassion for others. Thanks to Footsteps of Discover and the Lower School pastoral team for making these valuable days possible. View photos > https://www.truroschool.com/latest-news/1st-year-footsteps-of-discovery/

27 SEPTEMBER 2024: TRURO SCHOOL NEWS AND UPDATES

Updates from the Boarding Houses

It has been a busy start to the term as we welcomed our existing boarders and a new cohort to our boarding family. With an exciting induction programme to form bonds and familiarise themselves with the school and our beautiful city of Truro, our boarders headed back to school, with everyone looking super smart.

Some of our boarders have been sharing their language skills with the school, leading Chapel services in their native tongues. It has been wonderful to see their courage and confidence as they add to the sense of Truro School being a global community.

Our unrivalled weekend entertainment programme kicked off at Cornwall Football Golf and has also included fencing sessions, outdoor barbeques, a Sunday chapel service and even a surf weekend. Our boarders have settled in well and are certainly making the most of our unique location in Cornwall. We look forward to sharing more updates from their adventures as the term progresses.

27 SEPTEMBER 2024: TRURO SCHOOL NEWS AND UPDATES

Start of Term Sports Roundup

The new sporting year has commenced with great enthusiasm, with a strong focus on rugby and netball. Last weekend featured thrilling rugby matches against Mount Kelly and Wellington School, a fixture that brought together over 300 students from the three schools. This event showcased remarkable teamwork, resilience, and passion as students represented their schools with pride. Notably, Truro's U14s celebrated a birthday for Henry S, who capped off the game by scoring the final try.

On Friday night, the Truro School 1st XV took to the illuminated pitches, competing admirably against Mount Kelly, Wellington, and Launceston. The team displayed commendable skill, achieving one win and one loss, and they are already looking forward to their next match.

In netball, it has been encouraging to see a high level of participation across various fixtures. The U16 netball team travelled to Plymouth for their inaugural Sisters n Sport shield match against Devonport High School, while the U15 team faced Parkstone Grammar in their first cup game of the season. The U13 team secured a victory against Penrice Academy on Tuesday, and the U14, U16, and U18 teams engaged in their annual fixtures against Maynard School during Wednesday Afternoon Activities, with the U14s emerging victorious.

Additionally, the U15 netball team competed against Parkstone Grammar in Poole, demonstrating exceptional effort against a challenging opponent. The 1st-5th Years also participated in a successful home fixture against Penair School, marking their first netball match at Truro School.

On Sunday, Kenny completed his first road half marathon, the Truro Half, finishing an impressive 22nd overall with a time of 1 hour and 28 minutes.

Overall, this has been a fantastic start to the rugby and netball season, engaging numerous pupils. We are thrilled with the enthusiasm, resilience, and positivity displayed so far. Well done, and keep up the great work, Truro School!

Sixth Form Open Evening

The Autumn sunshine broke through to welcome current and prospective pupils to our annual Sixth Form Open Evening.

The evening offered an insight into life at Truro School Sixth, with the chance for families and students to explore our outstanding facilities, listen to insightful talks from our Head and Sixth Form Team and chat with our current sixth formers, department heads and career specialists about all that Truro School has to offer.

Truro School was the strongest A-Level provider in Cornwall in 2023, and with even stronger results (73% A* to B) in 2024, the school provides an excellent academic foundation for those choosing to study with us, placed in the top 10% nationally in terms of value-added for A-Level outcomes.

But, as our visitors to the Open Evening discovered, life at Truro School Sixth Form offers unrivalled facilities and a breadth of opportunity that goes beyond the curriculum. If you were unable to attend the evening, please visit our website for information, or get in touch with our Admissions Team by emailing admissions@truroschool.com or clicking the link below.

We have lots more exciting events planned, including taster days and subject breakfasts as we gear up to welcome our new recruits in September 2025.

27 SEPTEMBER 2024: TRURO SCHOOL NEWS AND UPDATES

Celebrating European Languages

In celebration of European Languages Day, pupils have been looking at how the power of language can bridge divides and open doors to great friendships, community and support.

Did you know that there are 7,000 languages spoken around the world? There are also 7,000 ways to say hello, express a story, and even resolve conflict. In celebrations that spanned the week, pupil representatives from many international countries showcased their linguistic skills by hosting assemblies in their native tongue.

One of our 1st Year pupils, Lukian from Ukraine, courageously presented at the 3rd and 4th Year assembly this week and afterwards said, "This was something I have never done before, but it was good, and I really enjoyed it."

We take great pride in our international community at school and were fortunate to have enjoyed presentations in Ukrainian, French, Spanish, German, Cantonese, and Hungarian. Special thanks to sixth formers Alice H and Harriet B for organising the assemblies. Pupils also took part in a languages-themed escape room, while our catering team embraced European culture with a delicious selection of internationally inspired dishes each day, including Turkish stuffed aubergines and Spanish paella.

Mrs Le Bihan Murphy has extended a special invitation to all Senior pupils to submit their designs for a poster competition illustrating 'Languages for Peace' using symbols, quotes and artwork to convey

messages of unity and understanding. Please send your electronic posters in by Friday 11 October. This competition, led by the European Languages website is a fun opportunity to celebrate the importance of language in reinforcing understanding and tolerance.

There were celebrations at the Prep School too, as pupils created bunting representing different cultures and languages that decked the school in a riot of colour. There was a special assembly led by our courageous Year 6 pupils, a school-wide treasure hunt and a special lunch menu amongst other activities. Our staff and pupils also created a fabulous video showcasing their language skills to celebrate the diversity within our school community.

This week has been a wonderful opportunity to celebrate our diversity

and the connections that language fosters. Thank you to everyone who took part in this wonderful international celebration of culture.

There are no co-curricular early lunch passes due to the volume of pupils involved in clubs.

Lunchtime club 1 runs from 1 pm-1.30 pm. All pupils will then go to lunch at 1.35 pm, or, a teacher will pre-order and supervise the eating of packed lunches Lunchtime club 2 runs from 1.30pm-2pm. All pupils will have lunch using the rota, or a teacher will pre-order and supervise the eating of packed lunches

Notes:

MPORTANT COOKERY CLUB NFORMATION: Cookery clubs on a Monday and Tuesday run from 1600 to 1730 in the cookery school. All ingredients and takeaway containers will be provided and there will be a charge of £12 per session which will be charged in arrears on the school bill. Students sign up for the whole term.

To reserve a space please email cookeryclubs@truroschool.com clearly stating the name of the pupil, year group and cookery club. Please be aware that the cookery school is not a nut free environment, and whilst recipes can sometimes be adapted we cannot ensure that the cookery school is free of nuts.

FTS Friends of Truro School

Coffee Morning

We would love to invite you to join us for one of our upcoming coffee mornings in the Cookery School Cafe. It's a great chance to meet other parents and have a chat over a cup of coffee. Everyone's welcome - we look forward to seeing you there!

FIRST FRIDAY OF
EVERY MONTH
4 October, 8 November
and 6 December

After drop-off at Truro School Cookery Cafe, by the SBA.

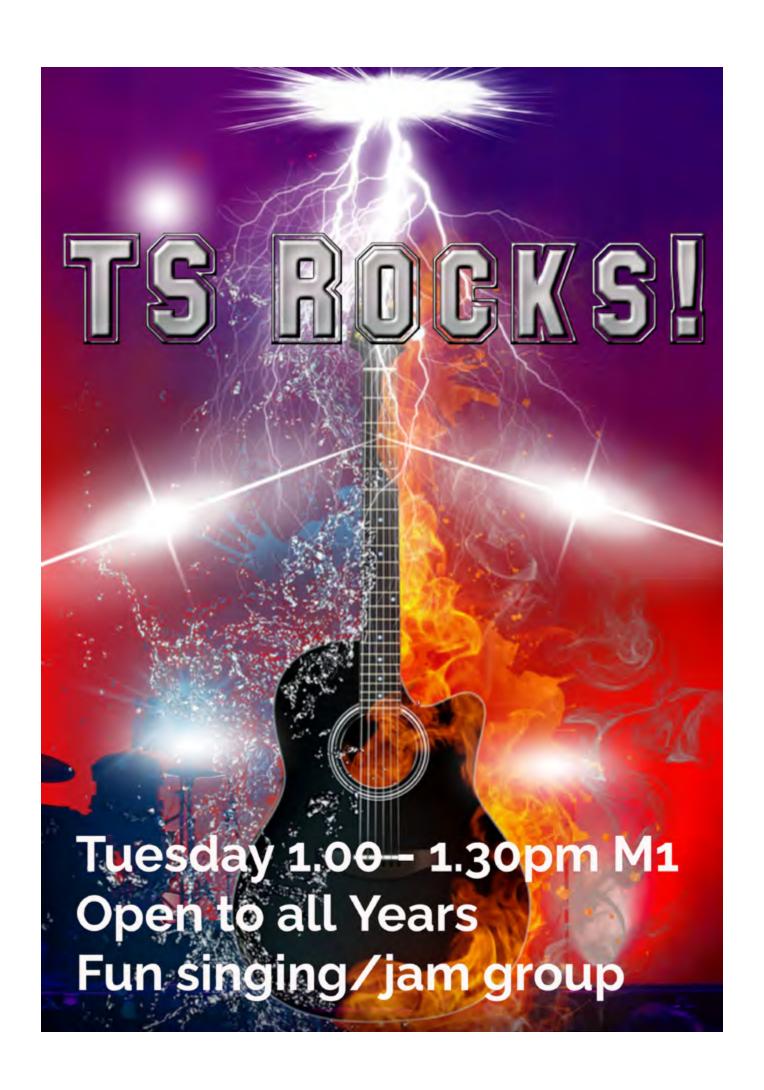

WETSUIT

The FTS are looking for donations of any outgrown wetsuits for **The Wave Project.**

Providing mental health support and surf therapy to young people, these wetsuits will be donated to youngsters on the programme, or sold to raise funds for the Wave Project charity.

Wetsuits can be donated via FTS@trurschool.com or dropped at the Truro Prep Office or Truro School Cafe (near the SBA)
