TRANSPORT GUIDE

2024-2025

WELCOME

Dear Parents,

Welcome to our Transport Guide for Truro School and Truro School Prep. We are delighted to be working in partnership with Vectare, a specialist school transport management company. Vectare are responsible for over 2.5 million school journeys per annum. Vectare will manage all aspects of the School's Transport Service and any enquiries can be directed to their team at truroschool@vectare.co.uk.

As part of this, our intention is to continually improve the overall service provision of the School Transport Service, and as such, if you do have any further feedback on the service please do not hesitate to contact us. Whilst it will not be possible for us to accommodate all parental requests and wishes, we do invite them so we can look to fulfil as many as possible.

Please find below changes for 2024-2025:

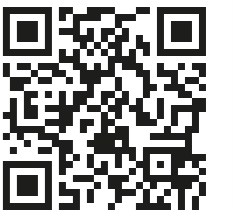

- The Wadebridge route will be a minibus service rather than a coach, both on the inbound and outbound journeys. In the mornings, senior pupils will alight at the new transport yard 'Epworth Court' Truro School and the minibus will then continue onto the Prep School. For the homeward journey all pupils will board the minibuses at Epworth Court - prep pupils will be brought across via the bookable shuttlebus (for single trip bookings please ensure you book the shuttlebus first and then the onward journey).

- The AM Penryn Campus prep shuttlebus will no longer operate from Penryn - all prep pupils will travel on the Rosudgeon coach to Truro School, St Clements Hill where a dedicated shuttlebus will take prep pupils to Truro School Prep
- The AM collection times for the Rosudgeon and St Erth routes have been brought forward by a few minutes to allow for additional shuttlebus services.
- The St Erth Prep and Senior minibuses are now combined and will stop at the Truro School Prep first and then continue onwards to Truro School
- There is now an 8.40am bookable shuttlebus from the Truro Train Station to Truro School, this is in addition to the existing Train Station to Truro School Prep shuttlebus.

May I also take this opportunity to remind anyone who doesn't currently use the Transport Service that they are more than welcome to do so, subject to availability. Should you wish to use the service, please visit truroschool.vectare.co.uk to make a booking.

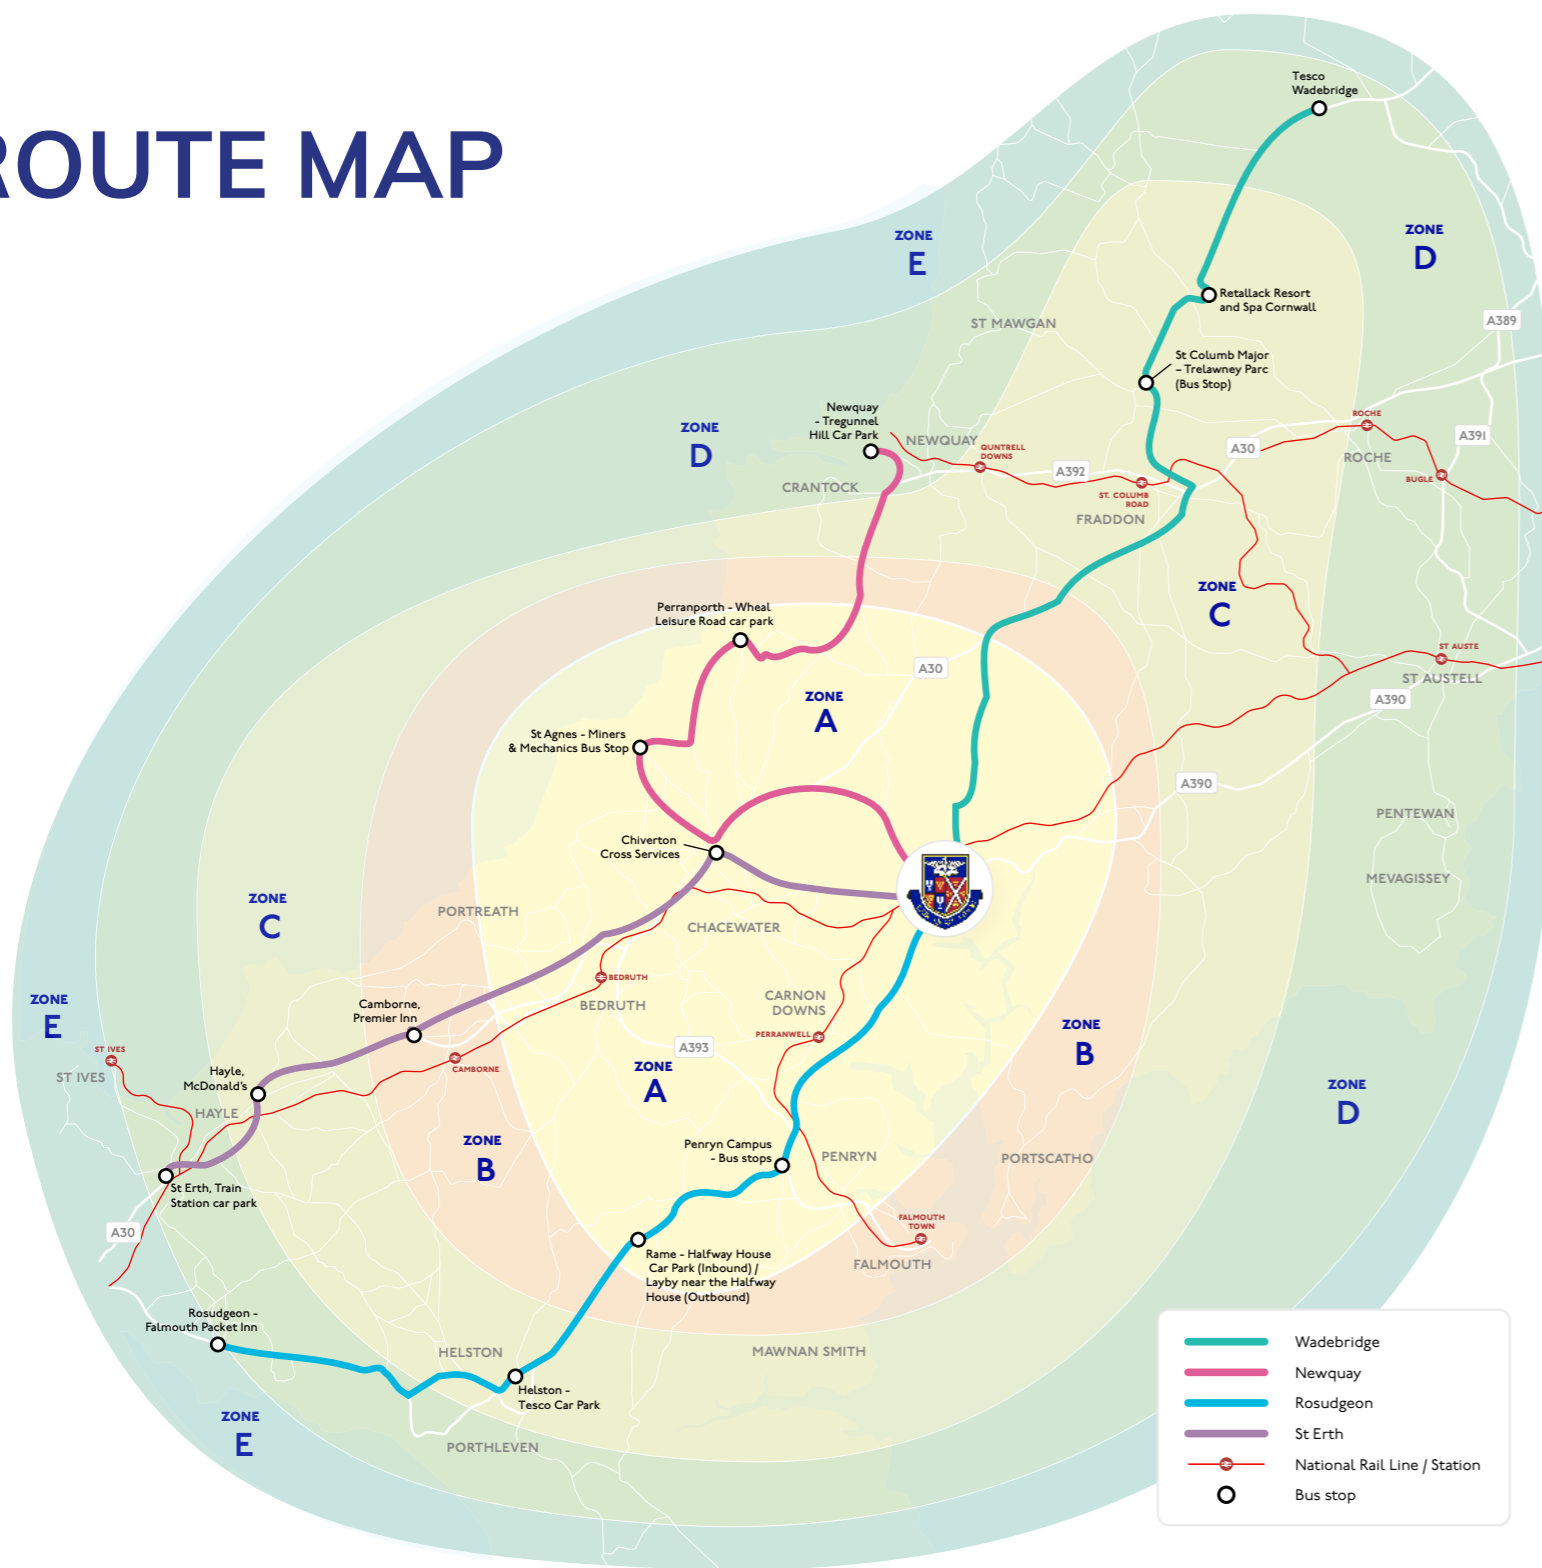

Kind regards,

Sarah Hollingworth

TERMS & CONDITIONS

1. This agreement is made between all school bus passengers, their parents and Truro School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from Truro School is the responsibility of their parents. To assist with discharging this responsibility, Truro School provides a School Bus Service. Parents are responsible for their child at all times including prior to and after boarding and alighting the vehicle.
3. Transport on the School Bus Service must be arranged in advance and is paid for through the booking system Vectare.
4. Bookings are to be made online via truroschool.vectare.co.uk
5. Pupils must be at the bus stop at least 5 minutes before the scheduled time of departure to ensure they do not miss the service.
6. Bookings on the School Bus Service are non-refundable in the event of a pupil failing to travel or no longer requiring the booking. The only exception is if the pupil was attending a school activity or match which was cancelled by Truro School.
7. If single trip travel is cancelled due to inclement weather a refund will be processed for each single journey cancelled.
8. If you wish for your child to use the School Bus Service on an ad hoc basis, or to vary the details of their bus travel as a one-off, you should book travel via the website prior to travel.
9. If your child boards the bus, with your consent, without a booking, an administration charge of £2.50 per journey will be charged. The driver can refuse travel if the register is showing the bus is fully booked, or if your child has previously travelled without a booking – in this instance you will need to make alternative arrangements for them.
10. Good conduct is required at all times – please refer to the 'Code of Conduct on School Bus Service'.
11. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
12. Whilst on a School Bus, all passengers must accept, without question, the authority of a Truro School member of staff, transport company official or bus monitor who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Bus Service.
13. Truro School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time.
